Our Mission Statement:

To Make Disciples of Jesus Christ for the Transformation of the World

Remarks from Pastor Allison

Summer has arrived! I love summer; it's my favorite season of the year, even if it is hot. This year we can actually do things like travel, and I know that many of you are doing so.

Summers in the church often mean a break in some activities, and our Bible study groups are taking a break right now. Likewise, most of our committees won't meet in July. We'll be back in the fall, so watch the August Messenger for more information on upcoming activities.

One summer activity that we can resume this year is Vacation Bible School, and Ron and Linda Vaughan are once again our VBS directors. We are going to explore the Superheroes of the Bible, featuring stories

from both the Old and New Testaments. VBS is scheduled for the week of July 19th through July 23rd. We could use your help in two ways. First, if you can help out in some way, talk to Ron or Linda about what they need. If you want to work directly with the children, you will need to be Safe Gatherings certified, and there is time to complete the course if you need to take it. There are other ways to help that don't require that certification, such as providing and/or preparing snacks for the kids. Second, we need kids to register! Invite your grandkids, neighbor children, friends' grandkids, etc.! We have postcards that you can take and share with them, and we are going to order some door hangers as well.

One summer tradition that we are going to wait on is camp. Camping for children and youth is fun, exciting, and can be a transformative faith experience. Next year we will look at camps and how we can participate. This will give us time to build our children's and youth ministries and do some fundraising to help cover the cost.

If you are one of those hitting the road this summer, know that we will be praying travel mercies for you! We thank you for remembering our church in your travels. Pray for us, and try our online giving to stay current on your giving. If you visit another church while traveling, bring back a bulletin or other material so that we can create a display of places we have worshiped this summer.

Finally, the heat wave is here. Forecasts have us in the triple digits for some time. Please take care of yourself, keeping hydrated. And, if you know of someone who may be having a hard time, let us know. We'll see how we can help.

On June 19th we provided 27 families a total of 109 individuals with boxes of food. I appreciate all who come out to help with the food give away. We are truly blessed to have so many wonderful people willing to donate their time and gifts. We are in short supply of our canned fruit and vegetables our cupboards are looking bare.

We would like to have the Welcome Wear open while we are handing out food. If you would be interested helping in the Welcome Wear please give me a call (559) 302-8451.

Thank you,
Lynnda
