THE PROPHET DANIEL

We are studying the book of Daniel, one of the last books of the Old Testament to be written. It tells the story of a talented young Jewish man who lives in exile in Babylon after Judah was conquered. He and a number of others are selected to be educated to serve their Babylonian conquerors. Yet, he remains faithful to God and his faith, and God blesses him despite hostility and opposition from the ruling powers. His story has relevance to us as we live in a society that is increasingly secular and even hostile to followers of Christ. Join us as we explore what Daniel can teach us about our lives now. We have two opportunities for you to join us – Monday at 11:30 or Wednesday at 6 PM. We meet via Zoom and the link is available in the weekly email or by contacting Pastor Allison.

If you would like us to continue with the **Sermon By Phone** please, call the office and let us know. (559) 302-8451
